Dear General Joseph Bleymaier,

Thank you for the excellent briefings and tour your Command arranged for me during the week of January 27-31. This visit provided me with new and useful insights into the magnitude and complexities of your program.

Please convey my appreciation to Col. J. P. O'Toole, Col. C. L. Gandy, Lt. Col. Harvey Cohen, Major Robert Belt, and Major Lachlin Macleay. Lt. Col. Paul Deem and Mr. Robert Johnson at the Douglas facility also deserve special thanks.

25X1A Sincerely,

Edward W. Proctor
Assistant Deputy Director for Intelligence
